

ALTAR SERVER SCHEDULE

Mahalo to all of our regular servers! We will soon be adding a new group; please be welcoming and helpful to them learning “what happens, when, & how”. They will begin, as usual, as a third server (observing) so please do not think you can stay home that day because there is an extra ☺. I will fill new names in blanks when I have them. If unable to serve as scheduled, **please** get a substitute or “trade” days with someone usually scheduled at the same Mass time.
